

## Annual Membership Renewal

Membership in RRA must be renewed annually to remain active. The following represents the standard requirements that must be met to maintain active RRA membership. Contact your district leadership for any renewal requirements specific to your district:

1. Pass a periodic national criminal & child abuse background check (once every 3 years, conducted by the district)
2. Be endorsed by your pastor as a suitable example of Christlike character and attitude.
3. Demonstrate support for your district Royal Rangers program by completing any ONE of the following:
  - Submit an annual membership fee of \$25.00
  - Make a financial contribution to your district for \$25.00 or more
  - Serve at a district Royal Rangers event (or a similar role) within the last 12 months.
4. Continue to comply with the standards of your district, working in cooperation with your district leaders in the performance of your duties.

Individuals who fail to renew their membership will retain their membership status but will be placed on an INACTIVE list and will be ineligible to serve at district events until renewed. RRA members who return to active outpost leader status and are approved by their church to work with children & youth will typically move to INACTIVE alumni status for the duration of the active outpost service (i.e. an individual may not be an active outpost leader and an active RR Alumni at the same time). The definition of active outpost status is left to the leader or outpost to determine and is generally not monitored or managed by the district.

## Lifetime Service Award

The Lifetime Service Award is presented by the national Royal Rangers Alumni Coordinator and national Royal Rangers Director to leaders who have demonstrated a lifetime of service to the Royal Rangers ministry. Applications and criteria may be obtained from the **National Office**.

Continuing To Serve

## Royal Rangers Alumni

Royal Rangers Alumni is an affiliate program of Royal Rangers that provides former members of Royal Rangers with continuing opportunities to serve and advance the mission of Royal Rangers without being actively involved in an outpost. RRA membership is open to any adult with prior experience in the program. The following information defines the role of the RRA program in Royal Rangers. Please note that since this program is primarily administered by your district some details may vary from those provided here.

## Mission & Purpose

Royal Rangers Alumni exists to support the ongoing mission of Royal Rangers by providing continuing opportunities for former Royal Rangers leaders and boys to provide service and support to the program without being directly involved in a Royal Rangers outpost. RRA members serve in a variety of roles in the district, such as:

- Assisting with games, preparing meals, or other activities at the district Pow-Wow or other district Royal Rangers events
- Serving on district action teams to provide oversight in specific areas of the program such as finances, training, or the campgrounds
- Participating in camp improvement projects at the district campgrounds.
- Representing and promoting Royal Rangers at non-RR events, such as Sectional minister's meetings, summer camps, and district youth conferences
- Collecting testimonies & stories from individuals about the ways the Royal Rangers program has impacted them, and sharing those stories on social media, district newsletter, national Royal Rangers news, and elsewhere

## Membership Requirements

RRA membership does not require approval by a church to serve as children or youth worker (the current standard for active Royal Rangers outpost leaders) but does require the completion of a criminal background check (performed by the district) and the endorsement of your pastor as a suitable example of Christlike character.
